
1 Establishing and Registering Your Security Interest

Before you can proceed with a PPSA seizure, you must first establish your security interest in the debtor's property.

- Obtain a signed security agreement (lease, chattel mortgage, etc.) that provides a reservation of title or some method of regaining title or possession to the property in the event of non-payment. NOTE: a promise to pay only is not sufficient.
- Prepare Financing Statement and register at Personal Property Registry for at least the term of the agreement.

2 Instructing Us For Seizure

You will need to provide the following documentation:

- Completed Warrant
- Letter of Instructions - The more information we have from you, the better.
- Copy of the Security Agreement (Helpful in verifying information and ensuring that the seizure is being properly carried out on your behalf).
- Copy of Your Verification Statement – Showing that your security agreement is registered.

Our office will prepare all other documents required by the Civil Enforcement Act for issuance to the Bailiff.

Section 69(4) of the Personal Property Security Act requires the Creditor to serve the Debtor and others with a Notice of their intention to sell the seized security at least 20 days prior to the sale of the property. Consolidated will serve this Notice at the time of seizure if instructed to do so (as per the letter of instructions).

3 Seizure Decisions

When providing our office with instructions you will need to also provide instructions about what should happen to the goods after they have been seized. Providing us with full instructions at the beginning of seizure can help to reduce the risk of incurring unnecessary storage charges.

- Do you know where the goods are to be removed to?
- Do you want the bailiff to leave them with the Debtor on a Bailee's Undertaking (may consider if there are no good storage options or if the costs of removal are going to be excessive and you anticipate that the Debtor will make settlement arrangements)?
- Do you have a specific auction that you use?
- If the seizure is effected in a remote area, are you making transport arrangements for the goods, or do you want our office to make those arrangements for you.
- NOTE: unless specifically instructed otherwise, once the vehicle has been removed and surrendered, the vehicle becomes your responsibility to deal with in accordance with the Personal Property Security Act, including the obligation to ensure that all prior encumbrances are paid.

4 Priorities and Other Issues that May Affect the Seizure Outcome

We are required by the Sheriff's Office to conduct a Distribution Seizure Search prior to seizure. This search will help to identify potential issues of priority that may affect your decision to seize. They may also make you aware of any court ordered stays or bankruptcy for example. Some common priorities follow:

- Canada Customs and Revenue Agency – Deemed Trust
- Workers' Compensation Board
- Garage Keepers' Lien
- Purchase Money Security Interest (PMSI) – if you registered within 15 days of giving possession
- Municipal Government (i.e. City of Calgary)
- Landlord's Distress Seizure
- Security Interest (if you did not register within 15 days of giving possession) or if you have a General Security Interest

5 Indemnity

We will require an indemnity before proceeding with any seizure. If you are using your own letter of instructions, the form of indemnification contained in our letter of instructions must be contained in your letter.
